RETURN FORM

Dear customer,
thank you for your order. It is important to us that our customers are perfectly satisfied with our service. In case a return delivery should still be necessary, we wish to ask you to do the following:

Please return the goods in complete state and with the original packaging **free of freight costs**. Please understand that we can not accept unstamped return deliveries.

In order to speed up the process when returning goods, please fill out this form and add it to the delivery along with a copy of the original invoice. Only this way can we process your return delivery without problems and delay.

Thank you for your help!
